RE: Welcome to the AHRI ACCL Certification Program for OEM

Mohammed Khawaldeh,

AHRI is pleased to welcome Zamil Air Conditioners to the Water Chilling Packages Using the Vapor Compression Cycle (Air-Cooled) (ACCL) Certification Program as an Original Equipment Manufacturer (OEM). The AHRI Certification Programs are accredited by the Standards Council of Canada to ISO Guide 65 as a Type 4 certification system. Your certified listings will appear on AHRI's Directory of Certified Product Performance (Directory) and you may claim products listed in the Directory as "AHRI Performance Certified" while maintaining compliance to the enclosed Certification Agreement.

For direct application of certification marks to units, labels need to be obtained through AHRI. You have the option of obtaining an electronic version of the certification mark which can be incorporated into the unit nameplate or printed product literature. Instructions on the proper use of the electronic logos may be found in the AHRI [Brand Usage Manual](#). Please contact Cheron Scott, Certification Program Administrator, at (703) 524-8800, or via email at [cscott@ahrinet.org](mailto:cscott@ahrinet.org), to request labels.

Rupal Choksi is the AHRI Certification Engineer responsible for the Water Chilling Packages Using the Vapor Compression Cycle (Air-Cooled) Certification Program. For program specific questions, please contact Rupal Choksi at 703-600-0346, or via email at [rchoksi@ahrinet.org](mailto:rchoksi@ahrinet.org). You may also contact me at (703) 600-0329, or via email at [snanjundaram@ahrinet.org](mailto:snanjundaram@ahrinet.org), if you require further assistance.

Again, welcome to AHRI's ACCL Certification Program!

Sincerely,

A handwritten signature in black ink that reads 'Sunil Nanjundaram'.
